Presenting the ICIS Top 100 Chemical Distributors

Our 2016 listing features a record 242 companies worldwide, from regional niche distributors to global giants. See which ones fit your needs

TOP 100 LISTING BY **SARAH CRESWELL, JOSEPH CHANG AND WILL BEACHAM**

We are delighted to once again present the ICIS Top 100 Chemical Distributors listing. We're also pleased to set another record in our 7th year of publishing this ranking with an unprecedented level of participation from around the world.

While we call it the "Top 100", we list as

many chemical distributors as we can find, or that find us, providing an unparalleled directory of these critical links in the chemical supply chain.

We thank our valued partners the National Association of Chemical Distributors (NACD) in the US, the European Association of Chemical Distributors (Fecc), Associquim (the Brazilian Association of Chemical and Petrochemical Distributors), Responsible Distribution Canada (RDC) and UK-based
